

# Alvaro Bernabey Izquierdo

Age: 23 || City: Barcelona, 08028

For me programming is a challenge which presents me with difficulties and in it I find the opportunity to solve them in a creative and agile way. Being a calm person with analytical skills allows me to develop myself with each project, both professionally and personally.

## Skills

Collaborative Work  
Self-learning capacity  
Empathy  
Creativity

## Techs

Java	API REST
Spring Boot	GIT
JavaScript	BOOSTRAP5
JQuery	JSON
HTML5	MySQL
CSS3	FireBase
MAVEN	NPM

## Tools

Figma	Eclipse
Git-Hub	Bitbucket
Trello	ZOOM
Visual Studio Code	Microsoft Teams
Google Docs	Postman

## Interests

I would like to learn

Spring Boot  
Micro Service  
Phyton  
Mobile Phone Development  
Statistics and Data Science  
IA
